In re Application of	:	
Outi Hiironniemi	:	
Application No. 10/086,780	:	ON PETITION
Filed: February 28, 2002	:	
Attorney Docket No. 059643.00741	:	

This is a decision on the renewed petition to revive under 37.CFR 1.137(b), filed March 4, 2008.

The petition under 37 CFR 1.137(b) is **DISMISSED**.

Any request for reconsideration of this decision must be submitted within **TWO (2) MONTHS** from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled, "Renewed Petition under 37 CFR 1.137(b)." No fee is required for a renewed petition.

The above-identified application became abandoned for failure to timely file a proper response to the final Office action mailed November 16, 2006, which set a shortened statutory period for reply of three (3) months. No proper response having been received, the application became abandoned on February 17, 2007. A courtesy Notice of Abandonment was mailed on May 30, 2007.

A grantable petition under 37 CFR 1.137(b) must be accompanied by: (1) the reply required to the outstanding Office action or notice, unless previously filed; (2) the petition fee set forth in 37 CFR 1.17(m); (3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to this paragraph was unintentional; and (4) any terminal disclaimer (and fee as set forth in 37 CFR 1.20(d)) required pursuant to 37 CFR 1.137(d).

The instant petition lacks item (2), the required reply. The amendment submitted with the petition does not *prima facie* place the application in condition for allowance.

On renewed petition, petitioner must submit a proper reply in response to the final Office action mailed November 16, 2006. The proposed reply to a final Office action required for consideration of a petition to revive must be either (1) a Notice of Appeal (and fee required by law); (2) an amendment that *prima facie* places the application in condition for allowance; (3) the filing of a continuing application under 37 CFR 1.53(b) or if applicable, 1.53(d); or (4) a request for a continuing examination (RCE) under 37 CFR 1.114.

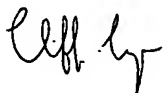

Petitioner asserts that the amendment as filed does place the application in condition for allowance. However, the Examiner has informed the undersigned that it does not. Any questions concerning the amendment should be directed to the Examiner.

Further correspondence with respect to this matter should be addressed as follows:

By mail:           Mail Stop Petitions  
                  Commissioner for Patents
